### Opis produktu

Eye-catching and extremely comfortable!

The extravagant, sleeveless shirt from Black Level is made out of bi-elastic vinyl. There are net inserts at the front, at the sides and at the back. The stretchy quality of the material means that it clings tightly to the body and emphasises the muscles. Even though the shirt is tight-fitting, it is also very comfortable to wear as well.

Vinyl 94% polyester, 6% spandex, polyurethane coating;  
net 92% polyester, 8% spandex.
