Opis produktu

A great vibrating penis with all the frills! Flexible realistic vibrator Bendable RC Vibrator with Balls from Nature Skin that looks like a real penis with pronounced veins, bulging glans and large testicles. It has a suction cup that sticks securely to any smooth surface and makes hands-free pleasure possible. This also means that the realistic vibrator is compatible with strap-ons and harnesses. 10 vibration modes - each in 3 speeds - can be controlled up and down with the wireless remote control. The range of up to 10 m also allows a partner to control the modes. The Bendable RC Vibrator with Balls is waterproof and can also be used in the bath or shower. The Bendable RC Vibrator with Balls is made out of skin-like Nature Skin material that looks extremely realistic and also feels silky soft and lifelike. It is thanks to this material, that the realistic vibrator is excitingly firm and hard without losing flexibility. Rechargeable - includes a USB cable and a battery (CR2025) for the remote control. Complete length 20.8 cm, insertion length 17 cm, Ø 3.7 cm-4.8 cm. Weight 346 g. TPE, ABS.
