Opis produktu

As you must know, the evening massage is very often followed by much more intimate moments. You've probably used a massage candle or massage oil but maybe you don't have one on hand. With this product from the Yoba brand, you will have a 2 in 1 in your hands. It will serve as a massage gel as well as an intimate lubricant. This lubricating massage gel is silicone-based, which gives it a long duration as well as enhanced gliding power.
