Opis produktu

There's nothing quite as erotic as the feeling of simultaneous prostate and penis stimulation, and this toy delivers that extraordinary combination with powerful vibrations and heat! The flexible silicone shaft is designed to arch toward your prostate with a heated tip that massages the P-spot in a tantalizing way, while the textured penis ring works its magic with its own vibrations. Use the wireless remote control to enjoy hands-free play or partner play, the entire toy is fully submersible. Remote-control vibrating, heating prostate penis ring. Perfect for simultaneous prostate & penis stimulation. Heating / warming function in prostate shaft for ultimate comfort. Pleasure nubs inside the penis ring's lower half. Flexible to move with your body. Textured shaft for added stimulation. 2 Motors controlled together: 1 in prostate shaft, 1 at base of ring arm. 7 Powerful vibrating function in both motors. Heating function has its own control button. Made from creamy, smooth silicone. Stylish black chrome-finished base. Base made from durable ABS plastic. LED illuminates buttons when in use. Red LED displays heating function. White LED displays power and vibration functions. Both toy & wireless remote are rechargeable, USB-cable included. Phthalate and latex free. Waterproof.
